

Mp3 G8 - Transglobal

[DOWNLOAD HERE](#)

A sensational trip through Africa, the Middle East, NY, Frisco and Europe, rolled into one. 12 MP3 Songs
WORLD: World Beat, URBAN/R&B: Funk Details: The hottest new band, with members from all over the world. The groups music reflects the various forces of globalization. The name G8 describes the bands eight members and is also a parody on the eight economic super-powers. Via its varied songs. the band shows that beneath diversity lies unity. The music has many elements, including NYC jazz, R and B, funk and rap. The poly-harmonics create a wonderful 3-D sound, all recorded without loops or playback. The group has already been invited to participate in various national and international projects, including TV performances. G8 plays the rhythm of life, the music of the world.
