Experience psychedelic fairy music, alien songs hillbillys eating mushrooms, The Music of H.R.Funk 'n' Puff could be described as psychedelic techno bluegrass but that doesn't quite do it. Besides, each song belongs in a different genre. 13 MP3 Songs ROCK: Psychedelic, ELECTRONIC: Techno Details: H.R. Funk n'Puff is the brainchild of "psychedelic techno bluegrass master" Moss. Playing instruments as diverse as banjo, didgeridoo, Melotron, Moog synthesizer, bowls of water and live pigeons, Moss' music transports listeners to new heights without ever abandoning his musical roots.The music of H. R. Funk n'Puff is inspired by his adventures hitchhicking driving around the country with his soulmate Pixie; and by musical influences from Donovan and The Carter Family to Ween and Chemical Brothers. It's funny, it's weird, and you've never heard anything quite like it.
