Melody finds purpose behind bittersweet lyrics. 6 MP3 Songs POP: Power Pop, ROCK: Acoustic Details: Tell The Truth has humble roots. The entire project was recorded with a limited budget in a basement where we had to fight off spiders and wait for the water pump to turn off before we could proceed. The album was produced by Caleb Crockett and myself and all of the instruments were accounted for by the two of us with John Carlson on drums. The songs on Tell The Truth are filled with emotion as I concentrated more on topics more close to home. It's obvious that I am still trying to figure out where I'd like my music to go because all of the songs vary so much in style. I love different styles of music and so it's hard for me to settle into one sound that defines who I am. Until I do that I am going to keep writing music that appeals to all of my tastes and I will continue to try to tell the truth in all that I do. jon
