Contemporary Christian Music for regular, ole, Ordinary People Like you and me. 10 MP3 Songs  
GOSPEL: Contemporary Gospel, KIDS/FAMILY: Kid Friendly Details: JUST ORDINARY PEOPLE A few years ago, a group of ladies were assembled to provide music for a ladies program. From this fellowship of believers and friends, and under the anointing of the Holy Spirit, Ordinary People was born. Members are from five churches in the Cincinnati area: Emmanuel, Maranatha and Shiloh Seventh Day Adventist Churches, Unity Christian Church and Towns Chapel C.M.E. Our Ministry takes us to nursing homes, military bases, homes of the sick and shut-in and anywhere we can be of ministry. As our name suggests, we are Just Ordinary People redeemed and delivered by GODS mercy and grace, with a message to "Tell Somebody" what GOD has done for us. We pray that GOD will bless and strengthen your faith as you worship with us.
