Heavy Guitars, insightful lyrics, and passionate vocals; Katie Morris has a story to tell. Rock music with hauntingly beautiful melodies. 8 MP3 Songs ROCK: Modern Rock, POP: Today's Top 40 Details: In the late summer of 2003, singer/songwriter Katie Morris walked into Cello Studios on the Sunset Strip armed with a lot of self-determination and an acoustic guitar. Through a close friend's recommendation, Katie met with producers Padraic Coursey and Ted Greenberg. Instantly, a connection was made and the three decided to work together. The new team worked hard and in the following months they would create a Rock album with heavy guitars, impassioned lyrics, and radio ready melodies. With influences ranging from Nirvana to Janis Joplin, the trio created a sound screaming with pure Rock n' Roll passion. After completion of the CD, We the Living, Katie wasted no time in securing a place for her band in several venues on the Sunset Strip. Within a month of completing the self released CD, Katie Morris had shows lined up at the Viper Room, the Whisky, the Hard Rock Caf, the Cat Club, and the Gig. Also, starting in September 2004 Katie Morris will start a residency at the Cat Club playing every Friday with some of the best up and coming bands in LA. Known well for her energetic live performances, Katie Morris is making a place for herself in the LA music scene one club at a time. With a strong presence among the online music community, Katie continues to push forward in taking her music to new heights and to new ears. Her outlook on life and her music, is prominently displayed across her lower back in the form of a Kanji tattoo. It translates to: with determination and purpose, anything can be achieved. Katie is one of the hardest working singer/song writer/musicians I've ever encountered. Her work ethic is second to none and she's not afraid to hit the road and expose music fans to her unique style and creative music. Her music is layered with heavy guitars as she takes you through a musical journey to rock, punk, pop, alternative and soul. Katie is scheduled to perform on July 30th at the Hard Rock Cafe in Los Angeles

and she will be performing on August 20th at The Gig. Katie will also be featured on TheMusicSyndicate"Rock"radio channel in August.
