Lifeinbible is my web artist name. I finally make a decision to put my first original songs on market. These songs are lyric/music by Lifeinbible and one of them is the famous poem of Shakespeare - Sonnet 18. Lifeinbible's style is freedom from folk, blue 6 MP3 Songs in this album (22:48) ! Related styles: NEW AGE: Spiritual, FOLK: Folk Blues Details: Lifeinbible has been my English web name since 2006. This is my new name which was given by God. This name was used to post gospel messages at my blogs. From the beginning, I was with no intention of preaching gospel online. But later on all my blogs became gospel blogs. I think this is God's mercy to me. I wrote blogs from Sina 4 blogs to Baidu 3 blogs, Taiwan 3 blogs, and then Western websites. I am still doing so today. Swei Chang Liou has been my Chinese web name since 2006. This name translated to Chinese means the living water. I used this name to write lyrics and music. At the beginning, I wrote three songs for this name just for fun. Later, I found music was so much interesting to me that I started to rewrite lyrics from pop songs to fit my taste. In 2007, I have written more than 100 new lyrics and some of them were recorded as voice demos. Lifeinbible is a self-learning artist of drawings, paintings, graphic designer, photographer, lyric writer, gospel preacher, prophet, singer/song writer. Lifeinbible's music is influenced by the truth of the Bible. Her music should be for Christ only but she always plays too far away from Him! Therefore she is going to change all her lyrics into song of songs, that is, Christ and her! Since I have promised a friend in Canada who is an educated songwriter to sing his songs. He sent me 12 original songs. All his songs are hymns. I put one of his songs - Psalms 23 on my Youtube. This song was a home made recording which was recorded when I practiced singing at home. I also promised another friend to work for his songs in Germany, who is an educated music instrument player. His music is dancing music. When his music is done, I will write lyric and produce voice melody for it. The following is Lifeinbible's early music works: Lyric by Angel Lee Music/Vocal by

Lyrics: *** Sonnets 18 *** Lyric by William Shakespeare Music by Lifeinbible 04-11-2008 Voice demo: My EPK page Shall I compare thee to a summer's day? Thou art more lovely and more temperate. Rough winds do shake the darling buds of May, And summer's lease hath all too short a date. Sometimes too hot the eye of heaven shines, And often is his gold complexion dimmed; And every fair from fair sometimes declines, By chance or nature's changing course untrimmed. But thy eternal summer shall not fade Nor lose possession of that

fair thou ow'st; Nor shall Death brag thou wand'r'st in his shade, When in eternal lines to time thou grow'st
So long as men can breathe or eyes can see, So long lives this, and this gives life to thee. @copyright
04-11-2008 lifeinbible *** /Snow flakes *** Lyric/Music by Lifeinbible 12-14-2007 English Translated by
Spancer Voice demo: My EPK page Over the woods calmly snow flakes are
flickering. Down from the sky in gray gently, covering the ground. Snow flakes are coming down like
petals. They dance around in waves. falling fast and circling slow. Dry lawn now dressed in bridal lace like
a girl getting ready for wedding. Bare branches drooped, droplets dripping to the ground. Drips drops are
falling, Snow flakes are still flying. They all meet on the ground. Little bunnies, where are your shelters?
Napping and watching from cubbyholes. waiting and yearning in cold, for the days out to the green.
