

Mp3 Mark Willms - Stories My Piano Told Me

[DOWNLOAD HERE](#)

Solo piano compositions that create landscapes and moods encompassing jazz, blues, classical and pop, performed by brilliantly by Lost In Translation's pianist, Mark Willms. 13 MP3 Songs POP: Piano, EASY LISTENING: Mood Music Details: Mark Willms, as seen in Sophia Copolla's Oscar winning movie "Lost In Translation" (as Carl West), has released this thoughtful compilation of piano compositions and improvisations. Styles range from easy listening and pop, to jazz and blues, with touches of classical. This is piano music from deep within the soul, creating moods and images evoking pleasure and pain. One customer, Paul Wicks of Orangeville, Ontario, Canada wrote: "In this collection, I feel the evolution of great piano music that has been explored by the likes of Gershwin, Copeland, Bartok and Debussy...you are not a copy of these great composers, you are a new member of their club". This is a truly original and inspired collection of compositions that celebrate the many facets of the piano. Enjoy!
