Kielbasa Nova is the latest result of this peculiar hobby. Its a diverse collection of 14 songs; all but two are original compositions. The fare ranges from the humorous (My First Beer) to the ludicrous (The Siskel and Ebert of Alternative Country); from the bossa nova (I Can Die Now) to country (Hearts at Home). Theres also a cover of Steely Dans Any Major Dude Can Tell You, which fits right in to the mix. Nicely arranged, thoughtfully presented and ably performed. Give it a listen.
