

Mp3 Miller's Farm - Mf

[DOWNLOAD HERE](#)

High-energy, back to basics, urban/roots music based on simple and clever traditional Country songwriting styles. Serious songs with a lighthearted sensibility. 11 MP3 Songs COUNTRY: Country Rock, COUNTRY: Traditional Country Details: This is the 3rd and strongest release yet from this urban country band from Brooklyn, NY. This full length CD highlights the bands musical skills and award-winning songwriter Bryan Miller's ability to write a clever and engaging lyric. The skillful blend of melody and texture combined with Miller's soulful voice make this back to basics, live-in-the-studio cd sound as large as any overdubbed production cd and fully captures the energy that can only come from a live performance. Touching ballads, hard-driving blues, good old rock and country swing. These boys can play. And on MF, you can hear how much they love to do just that.
