

Mp3 Ozone333 - The Jimi

[DOWNLOAD HERE](#)

A High Energy sensual trance experience featuring the sexy voice of JIMI L and the intense musical style of ozone333 as a musician and a DJ/Remxer. 12 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Techno Details: ozone333 Electronic music is mostly instrumental electronic dance music that is played at Raves and Parties of all types. ozone333 Electronic music is used in TV Shows Commercials, Student Films Videos, Excercise, Instructional, Extreme Sports Videos, Presentations, Motivational seminars. Have you heard ozone333? You probably have heard it blasting out of someones car in your own neighborhood, or possibly in the "Inferno II" or "Gauntlet" TV shows on MTV. ozone333 started his music career as a DJ in the 1980's. He worked in some of Boston's most entertaining night club's like "Narcissus", "The Other Side", "Michaels Seaside", and "The Palace". The move to California in 1989 created opportunities that were beyond what the Massachusetts area had to offer and created a new path for ozone333 to write, and produce electronic dance music! ozone333 is currently licensed to broadcast industry clients for use in their projects. ozone333 is sponsored by SONY Media Software, the makers of "Acid Pro", "Sound Forge", "Vegas" digital editing suites. ozone333 is a proud member of BMI. To inquire about direct licensing of music that is NOT available through the CD Baby web site, please contact support [at] olaudio [dot] com for more information. The ozone333 Electronic music library is growing by leaps and bounds. Additional albums are due to be released before the end of 2006 to broadcast industry clients. Most of the music is categorized under the Techno, Trance, House, Psytrance, and Film Music genre's. ozone333 also scores specific music to TV commercials and Shows by request. Twenty three ozone333 albums are available for purchase as "full album" downloads from the ozone333 website with a PayPal account. Specific tracks are already available for purchase from many online music portals. If you want to help promote ozone333 on the street or at an event, please click the "Spread the Word" link at the

ozone333 website.
