"Old Time" (early "bluegrass")emphasizing "clawhammer" banjo and fiddle. 15 MP3 Songs in this album (43:43) ! Related styles: COUNTRY: Old-Timey, COUNTRY: Traditional Bluegrass People who are interested in Uncle Dave Macon should consider this download. Details: Our philosophy is simple: we love old time music. We also embrace its capacity to grow. Were not knocking those who strive to imitate, note for note, what Uncle Zebulon Jones played on some scratchy 78 in 1910. Theres room to treat old time music with archeological reverence. Theres also room to dig it up and dance to it. - Piney Creek Weasels
