Details: Remnants of Isadore is an Alternative Country / Rock band from the greater Cleveland area. Singer / songwriter Ernie Arroyo has been playing the Country scene in Cleveland for about 5 years and has also played in the genres of Rock and Blues. In the time that Ernie has been playing Country music he has shared the stage with greats such as Gary Allan, Dwight Yoakam, Emerson Drive, Shelly Fairchild, Pat Green, Sarah Buxton, Billy Dean, and Rodney Atkins. In 2007 he decided to record a CD of his own and hired some of the best talent in Cleveland. This included former pedal steel player for Buck Owens and the Buckaroos, Jerry Brightman, former band leader for the Buddy Miles Express, Mark Leach, and former lead guitar player for the Buddy Miles Express, Curtis Leonard. Remnants of Isadore features these other great musicians and would like to thank them for their help on the CD.
