Da' Soul Recordings presents Mood Of Love... A very soulful debut CD from V Joint Entertainment Recording artist Sonny Garr...Upbeat at times, mellow at times, good... All the time... 12 MP3 Songs URBAN/R&B: Funk, URBAN/R&B: Soul Details: ALL PROFITS TO RED CROSS DISASTER RELIEF!! Sonny has chosen to donate his ENTIRE wholesale price to the American Red Cross disaster relief fund. Please support this effort. "Mood Of Love", by keyboardist and vocalist, Sonny Garr is an expression of love, joy, pain, and happiness all rolled up into twelve riveting songs. As producer "J" says, "Sonny possesses a quality within his music that forces the listener to actually feel what it is he's going through on any particular track, and that is essential to R&B music:it's all about feeling. Sonny has been in this game for 30 years, and has recorded with the legendary Brunswick label out of Chicago, done numerous studio sessions, and played in various bands throughout Milwaukee and the Midwest, so at this stage, he has a lot to say. As Sonny himself will say, "Music is an addiction like no other drug known to man"! We at Da'Soul also suffer the same affliction, and would invite all of you to to hit by the "Mood Of Love".
