

# Mp3 Sonny Russell & The Tropics - Caribbilly For Connoisseurs

[DOWNLOAD HERE](#)

A toe tapping, feel good casual music with a lively Island and Country feel for white collars, blue collars, t-shirts tank tops; loafers, winged tips, tennies flip flops. The perfect companion for a frosty beer, ice tea, lemonade, washing the car. 9 MP3 Songs COUNTRY: Country Rock, ROCK: Folk Rock Details: Sonny Russell released his first CD "Caribbilly for Connoisseurs," in 1997. The Thomasville, North Carolina native has performed up and down the east coast from Boston, to the Keys and chose the Palm Beaches of South Florida as his new home in 1983. "Caribbilly" music is said to have a lively island feel. It is a toe-tapping music for white collars, blue collars, t-shirts tank tops; loafers, winged tips, tennies flip flops. It's the perfect companion while washing the car, on boating and camping trips, or with a frosty beer, or lemonade. Once you hear it, you will know Caribbilly is a colorful blend of musical styles. The Caribbilly For Connoisseurs CD features the JB Song written by Sonny, and Overheated co-written by Sonny and Barbara Cargill of Jupiter, Florida. On the Sonny Russell supports numerous community projects.
