Contemporary urban, URBAN/R&B: Deep Funk People who are interested in 2Pac Marvin Gaye Joe should consider this download. Details: This is a great CD.i highly recommed it for anyone that likes good music with substance. This is a music CD for everyone and anyone. Uckdaddy sends his love and prayers to each and everyone that took time to listen to what he likes to call his labor of love. Making music gives me that unique opportunity to connect with people just like me. That just simply love good sounding music. I personally enjoy listening and supporting indie Artist, because it takes a lot of confidence for anyone to step out from nothing to something. So my final thought to everyone is. Step out and make it happen. From ya boy, uckdaddy
