Children's music that "rocks". Great introduction to rock 'n' roll, country, punk , ska and other styles for little (and medium sized) rockers everywhere. 21 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: BILL CURRIER (Founder of We Kids Rock) Born and raised in Delaware, Bill has been a professional musician and songwriter for the past 25 years, first with Delaware favorites The Numbers who released two singles and one five-song EP and received national exposure on USA Cable Networks Night Flight. After The Numbers disbanded Bill was invited to join The Flamin' Caucasians (flamincaucasians.com). For the past 15 years, the Caucs have played and continue to play nightclubs, parties (2000 Republican Convention in Philadelphia), TV appearances (ESPNS Lighter Side of Sports) and radio shows (WIPs Wing Bowl) nationally. In 2006 Bill formed his own childrens music company, We Kids Rock, dedicated to the idea that the best music for little ones is music that they and their parents can enjoy together. We Kids Rocks first cd was released in December 2006. It features catchy originals as well as traditional favorites in the style of early RocknRoll, Rhythm Blues, Punk, Ska and Country. Guest musicians include Johnny Neel (Allman Brothers, Johnny Neel Band), Skip Dennenberg (Having a Ball released and sold by the Philadelphia Phillies), Simon Illa (R&B Producer) and Marc Moss (production credits include David Bromberg, Nik Everett and Cliff Hillis). We Kids Rock offers childrens music classes in the Delaware, Philadelphia area. For more info about the classes visit us online at wekidsrock. Bill attended Tyler School of Art in Philadelphia. He continues to study and paint with Delaware legend, Ruth Ann Crawford. Bill has two sons and lives in Delaware County, PA.
