What if one of them closes down... you just delete it from the list of directories in the software. What if another Article Directory site starts up that you want to submit to? You just use the Add Directory button and add as many additional sites to the software as you can

find! We have 163 Directory sites already loaded in but you are welcome to load in as many more as you wish, also don't be fooled by other Article Submitting Software that claims to have thousands of sites to list your articles to! Those are SPAM MACHINES, that will have you looking like a fool in no time flat! They will have you submitting articles where they are not wanted and many of them even post a link back to their software right in your articles that you submit. Nowhere in any articles you submit will you ever see any mention of us or our software, not to mention the Article Directory owners will not have any idea you used a submission tool, your articles will look totally hand submitted. Article submitter does not just allow you to load in 500 articles and hit a button a forget it. Any software that promises this is doing nothing more then spamming your articles all over the Net. Article Submitter software stores all of your personal information, resource box, and articles. It then will proceed one at a time to go to each of the articles sites for you, log you in and auto fill all of your content including your name, your article, your author resource box, even an article summery on any sites that ask for it! You will then need to manually select a category- this is the only real way to make sure your article ends up in the right place when we are talking about 163 article sites. You then click the submit button and bam... you have just submitted another article and it appears totally manual and natural to the article directory owner which is a must if you want your article to actually get published! As you can see, my Article Submitter is EVERYTHING you need to start driving insane traffic to your web site using the magic of free articles.
