Acoustic based Pop/Folk/Rock featuring powerful vocals, driving electric guitars, and inspiring lyrical messages. 13 MP3 Songs POP: Today's Top 40, ROCK: Acoustic Details: Bill Dickson MTT's CD "In Time" is packed full with hooky hooks, rocking electric guitars, bright grooving pianos, swirling organic organs and vocals that are strong and diamond hard. Track 2 "In Time" speaks of the coming to adulthood and the yearn to escape its grasp. A hi-hat ticks away as a melodic guitar riffs in and out of poignant lyrics. Track 5 "Outer Shell" is about showing your true self. This song is full of percussion highlighting the ripping sound of the guiro. Track 7 "What If...?" asks that very question in reference to making the world more humane. 12 voices sing the chorus with chilling harmonies that ring true. Track 12 "I" is a poppy upbeat tune with a bluesy spirited trumpet and clever phrases pondering the meaning of the self. Baltimore's Music Monthly reviewer - Mark Bounds writes, "...utterly sensational! Let's just say that Contemporary-Christian music has gained a worthy new entry"
