Traditional Contemporary Acoustic Fingerstyle Solo Guitar Music 16 MP3 Songs FOLK: Modern Folk, NEW AGE: Celtic New Age Details: One of the great names of the international guitar scene, Franco Morone is considered as the Italian poet of acoustic guitar. His melodies of great charm touch at first hearing, also thanks to his renderings. What surprises in his works is the beauty of both original tunes and popular themes, which revive a second youth through his fingers. For his research work in the teaching field, today Franco Morone is a point of reference for many guitarists and amateurs attending his workshops in Italy and abroad. He regularly performs in Europe, USA and Japan, and he is a protagonist of qualified international festivals. [francomorone.com](http://francomorone.com)
