Details: Greg Neufeld, an up-and-coming musician out of Abbotsford, British Columbia, is in the business of bringing good music to the people, and has been for quite some time now. The lead singer of successful lower-mainland band Dimarco opened shows for bands such as Stabilo, Default, Hedley and Matthew Good, as well as many notable shows of their own. Greg, a two-time Canadian Idol competitor (best known for his untimely exit in season five, landing him a seventh place finish), is no stranger to the music business. He recently went to Nashville to work with accredited song writer Amy Foster (Michael Buble, Josh Groban) and Michael Dukes (Eva Avila), an experience that he feels fortunate to have been a part of. He is proud of the finished product of his debut CD. With songs such as "Secret", "Your Eyes" and "Sleep You off", Greg feels that the CD has the potential to show the public who he is as an artist. "This album is something that I have wanted to do for a while now," he says. "I truly think it's captured me in the way that I want to be captured; this is a Greg Neufeld album." Greg hopes that his perseverance, passion and talent will translate into longevity in the music industry - he plans to make music for a long, long time. This is only the beginning!
