Smooth, pure vocals, layered with haunting melodies, enriched with harmonies and introspective lyrics float above dynamic piano pieces, giving an overall feeling of contentment while still leaving a tiny sense of mystery. 6 MP3 Songs POP: Piano, ROCK: Acoustic Details: From a very young age, Jenna has been totally engulfed in music. Ever since she can remember, she's been head over heels in love with the likes of Debbie Gibson, Journey, and anything else coming from the 80s. However, her musical influences hit every piece of the spectrum, including everything from ambient, to metal, to acoustic, to jazz, to techno, to trip-hop, 70s, 80s, you name it. So, sampling from such a wide variety, she has found a very unique sound to call her own. With her pure, clear vocals, and obsession with harmony, she has created an emotional journey within each song, and a vivid picture to accompany it.
