man it's like dis i can freestlye i can use da pen an pad or i can write u a verse i got dat southern slang like most people and i did dis when i was 15 an 16 years old so if it's like dat den then jus wait until my next cd da ride hit the streets baby ge 13 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: Well I started rapping back in 2000 da day before i went to my program . I got locked up for 6 months so i was in my program writing raps trying ta put a cd together but i wasn't that good to do so. So i tried an tried ta find my stlye when i got so when i finally found it people usta call me chamillionaire at the school i was attending, in my hood people was calling lil flip an other peolpe say i get it crunk like lil john so i took it an ran wit it.now i've been doing shows at club dimeson,big daddy,i did a show at mayday an sometime i enter talent shows. Now my name ranging around pensacola and every rapper no dat that's why they wont me on they cd.So now that i got tha lime light off that cd i know fashow dat when my next cd come out then people through out tha south gone know who i am. Now that i'm 18 i no alot mo shit ta spit cuz everyday i learn new shit so now that im so talented and i now ima take it and run it baby . Signing off Lue Kane aka Mr.Everythang haters call me what u feel g.
