Americana pop 9 MP3 Songs POP: with Live-band Production, ROCK: Americana Details: Love's the Only Thing That Shuts Me Up- You have perhaps felt this way? You find yourself petting your dog on a sunny Sunday afternoon, quiet, no need for anyone else. You see an amazing painting, an overwhelming tree, a piece of cake. You are stunned with love and so you don't speak. You shut up. It's possible the only think, love, that leaves you dumbstruck. That is the cement that bonds this group of songs together. It's 'all You Need Is Love' splintered into little bits and presented as a suite. The ep was written in a day recorded and mixed two days later and a finished piece of art in one week. Frank and Ken pushed and pulled. Mark sang and slept. Good ideas were exploited, bad ideas exploded. The same song twice? Yes! Amsterdam is where you can get high and ride a bike. Happy birthday belatedly happen all the time. Now you have a song to sing. It's all you need.....right, love. The genesis of the recording was to make a UK tour ep. That was it's only release for almost a year. On tour or on our website-mezzotint.com. It is not available in stores. You can get here at CD Baby or from iTunes etc. Should you consider yourself lucky? Listen and see. Shut up and listen.
