A wonderful return to traditional country love songs, finally. 8 MP3 Songs COUNTRY: Traditional Country  
Show all album songs: Serious Things Songs Details: Malcolm's first album release, Serious Things, is a collection of traditional country love songs written over the past 13 years or so, mostly to his wife, Dee, his inspiration through good times and bad. It is a return to actual traditional country sounds, beats, and stories, and we hope you will enjoy it and return for his second release due next year.
