Americana that spans the genres 11 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: "Moment To Moment" is Melissa's second album of original material. The album features Keith Webb on fiddle, guitar, bass, banjo, and mandolin. "Here Without You" was inspired by a letter from a soldier to his sweetheart written a week before he died in battle. The first three lines of the chorus were taken from that letter: "I'm so tired I can hardly write/I'll say a prayer for you tonight/How I miss you no man could tell."
