A beautiful compilation of original reggae deeply influenced by percussionist Addy from Ghana, West Africa. Addy's lyrics with sweet vocals and harmonies mixed with his traditional cultural music makes this a real sweet listen 10 MP3 Songs WORLD: Reggae, WORLD: World Fusion Details: "O.B" Addy, the founder and leader of I I was born and raised in a traditional "house of drumming" in Ghana, West Africa, which meant being at the heart of an extraordinarily rich musical culture. His background and training are in ceremonial West African drum and dance, but his first musical love has always been reggae, His dream to put together a reggae band that would combine the perfect blend of Afri-Caribbean rhythms, heartbeat bass, sweet soul lyrics and melodies with the full tilt of Afrikan drums makes for an enthralling performance. I I is fast becoming a favorite with fans of blues, country, rock or classical music. Great music is great music. Addy's obvious and contagious love for his music and culture simply compels an audience to dance, sing or howl with delight.
