From his beginnings in college coffee houses through bands OH (Eli Radish), CO (Airborn, Emmersom Biggins), touring with David Allen Coe, appearances at music festivals and smaller gigs, this singer/songwriter/carpenters work reflects a life led: hard hitting moving. Whether in solo performance or band, playing originals or covers, his music is truly his own providing unique interpretations and arrangements. Playing "anything with strings" this lead guitarist is just as comfortable on mandolin and banjo does not shy from his keyboard or baby grand. More recently decompressing on MDs Eastern Shore Kennedy has performed at summer beach gigs and local festivals. Returning to his first passionsinstrumentation and composition, he released a retrospective CD music video in 2007 and new studio-based CD in summer 2008.
