Todays top hits performed by one artist with incredible vocal range who pours his heart and soul into every song for your listening pleasure. 15 MP3 Songs COUNTRY: Country Rock, COUNTRY: Modern Country Details: Todays Super Hits Performed By Ron Shepard Ron Shepard, a native of Florida. Started singing in church around the age of six and has been singing ever since. Ron started playing guitar at 14 and has been performing from Miami to Alaska. After serving in the US Navy Submarine Service he formed the Southern Comfort Band with good friend Jesse James. In 1992 He decided to go on his own and moved to Nashville Where he stayed for several years working with other song writers and Musicians. During the time he spent there he worked a lot on song writing And gained notice from Nashvilles biggest critic(Robert Orman). He set up his own publishing company (Shepco Music) and began putting together A song catalog at ASCAP and has success with Talkin Eyes and Dont throw Your Love Away. Now about Rons vocal ability, just click on the song list to the left and I wont have to say another word, but I will. Rons biggest problem in his music career is that there are those doubters in his audience who think its not really him singing because its just hard for them to think that this one person could have this much talent. He can deliver that up tempo tune that gets your foot tapping and then sing a ballad that will bring tears to your eyes. He has had total strangers come up to him and say that he has the Best country voice theyve ever heard and dont understand why hes not on a major record label. So give it a listen and see for yourself.
