Folksy bluesy piano-heavy pop. A great blend of intelligent lyrics and memorable melodies that'll keep you hooked from start to finish. 9 MP3 Songs POP: Piano, POP: Folky Pop Details: Here's what people have said about Sarah Haddock! "A talented young keyboard player, Sarah Haddock is one of those superlative performers who leaves you breathless after listening to just one song. Her witty and intelligent lyrics are framed by melody lines which are at once familiar and refreshingly different, all wrapped up in her voluptuous vocal styles. Her songs are vehicles for her incisive commentary on modern relationships... Her strong voice, keyboard talents and thoughtful lyrics are likely to lead her to a national career. Remember that you saw her here first!" -- Amy Tuttle, Folk Music Society of Huntington "Writing love songs isn't easy. Actually, let me clarify this; writing good love songs isn't easy. After all, it's the number one topic in songwriting, meaning the subject has been covered in every conceivable way from every possible angle. ...That is why a fresh or unique look at the ubiquitous and complex story of love is deeply appreciated. Sarah Haddock...presents an astoundingly mature and brutally honest look at relationships that break all the rules by being more true to life than expected. Reality, what a concept! Give me true love over idyllic love any time. Thanks to Sarah Haddock." -- Gerry Dantone, Island Songwriter Showcase
