

Mp3 Soteria Bell - 44 Sunsets

[DOWNLOAD HERE](#)

Fusing ancient shamanic vocal traditions with creative improvisation, and ethereal harmonies to create hypnotic music, that is both spacious and richly textured. ARIA award winning vocalists, harmonic overtone singing, violin, cello, thumb piano... 11 MP3 Songs in this album (52:07) ! Related styles: NEW AGE: Adult Alternative, WORLD: Throat Singing People who are interested in Enya Dead Can Dance Lisa Gerrard should consider this download. Details: Soteria Bell's debut album '44 Sunsets', showcases the hypnotic sounds of the ethereal ARIA award winning vocal duo Linda Laasi and Mia Shaw, Dean Frenkel's harmonic overtone singing, and Simon Bailey's soundscape electric guitar. An ambient, atmospheric group, Soteria Bell's music is inspired by ancient and modern cultures, and features shamanic style vocals, creative improvisations, violin, cello, thumb piano and guitar. Their original songs have been described as 'haunting evocative'. Soteria Bell's vocals feature on the Aria Award winning soundtrack to Australian feature film 'Jindabyne'. This was a collaboration with the Australian music legend Paul Kelly and Dan Luscombe."
