From my early years when my big brothers used to play Rick James, Barry White, Earth, Wind , and Fire to some Pac, to some 40, and the Jay-z classic Reasonable Doubt that I listen to regularly. This is why I am on this serious and relentless mission to make Spitt House a house hold name by bringing back the realness in the music that is deeply embraced in our culture, primarily Hip Hop and R&B with tight production and lyrics that not only get your attention but tell you something that is meaningful and matters in the society that we live because everyone is not partying, blinging and living the good life as we all know. So I invite you to go on this journey with twon Da Don, Double L, J*Walker, Uncle Skar,and L.N.C. to make a change not only in music but society as well, and all I can say is..... Welcome to the Spitt House!!!!!!!!!!!!.
