International cast of musicians. 12 MP3 Songs COUNTRY: Bluegrass, COUNTRY: Country Folk Details: Influenced by the great music on their era, this husband and wife duo were baptized by bluegrass music in 1973 and have been making wonderful music together ever since. With many recordings to their credit since 1976, they've achieved critical acclaim and worldwide airplay. U.S. tours have taken them throughout the midwest, south and southeast. European tours have taken them throughout Ireland, Holland, Belgium, Germany and the Czech Republic. The Gordons have performed on national and international Television and radio live many times during their career. Their music compels audiences of all ages. They surround themselves with stellar musicians. For those who want a bit more, their lyrics provoke thought and feelings. Listening to The Gordons will bring fond reminders of childhood, hopefulness, promise of redemption and love of mankind. "With their warm and glowing harmonies and impeccably clean and uncluttered picking, The Gordons bring to mind that most listenable of all bluegrass bands, Flatt Scruggs. And, like Flatt Scruggs, The Gordons are wide-ranged in their song selection. Above all these qualities, however, is the fidelity with which the group conjures up memories of a sweet rural world now long vanished" Edward Morris, Billboard Magazine
