Details: The Ribbon is a new music project with Luke Munn and Campbell Birch based in Auckland, New Zealand, incorporating keyboards, drum loops, guitar, vocals, and live visuals. "Delicate electronics that are embellished, here and there, by always-welcome dissonances. The right way to be reconciled to the night." (UtopicMusic, Italy) "(Field)... is practically hypnotic...vocals are practically an instrument themselves...builds and builds upon itself, going where you don't expect before turning yet another direction...one of the best euphoric crescendos ever at about 2min 30 that just keeps going till you die. Or push repeat." (Andrew Tidball, Cheese on Toast) "songs that build from minimalism to the dance floor" (Counting the Beat)
