Music by gamers for gamers. A variety of songs in various musical styles that will appeal to fans of good music and gamers alike. 10 MP3 Songs POP: Quirky, ROCK: Comedy Rock Details: Yes, in addition to being long-time podcasters and self-proclaimed gaming experts, VT Yukon are also musicians. With a style that's simultaneously recognizable and unclassifiable, they are one of only a handful of artists creating music specifically for gamers. In 2006, VT Yukon released their first studio album "Vortikon" on an unsuspecting world and things haven't been the same since. Featuring eight original tracks, including the internet hit "Granny Got Game," Vortikon can now be found on online music stores including iTunes, eMusic and Napster. But that was then and this is now, and VT Yukon have completed work on their latest full-length album of original songs, "Level Up," which is bigger and better than anything they've previously released. If you're a fan of computer and video games, or just a fan of good music, check out "Level Up" and hear for yourself just how far VT Yukon have come.
