"Soul to Soul" is pianist/composer Wayne Gratz's second independent release on his own label, and what a beauty it is. I have been a very big fan of Gratz's music since I discovered his first album,

"Reminiscence" (Narada 1989), and I think this is 12 MP3 Songs NEW AGE: New Age, NEW AGE:

Ambient Details: "Soul to Soul" is Wayne's second CD released on his own label, Wayne Gratz Music.

"Soul to Soul is the result of many evenings of musical exploration. For me, piano improvisation comes from a place within. When there is too much thought, it only becomes a distraction. I invite you to listen to this music without too much thought... simply, soul to soul." Wayne Gratz
