"Grab Your Visitors Attention, Explode Your Profits, And Practically Force Your Prospects To See Your Message With The Latest Eye Grabbing "Ribbon Ad" Technology ... Shown To Increase Click-Through Rates By Up To 817 Over Conventional Banner Ads" You'll learn exactly how to do it in just a few simple steps - even if you don't know a single line of HTML code! When somebody visits your website, you have about 3 seconds to grab their attention or they're gone, and in all likelihood, they'll never return again. You need something that instantly grabs their attention. In the wild west days of the internet, this was easy to do using popups. But according to a recent study, at least 86 of the visitors to your website have at least one pop-up blocker installed. Even those new sticky note style popups have lost their effectiveness. People just close them now without reading them, its like a knee jerk reaction, you've probably done it many times yourself. So is there anything you can do? I've found that yes there is, and I'm about to show you how to do it. This software is simply amazing. I am using it on several of my sites and have to say that the uniqueness of the diagonal banner makes it very, very powerful. Very easy to use, and congratulations on one of the truly unique offerings out there to enhance the "stickiness" of our websites. All the best! Ted Stalets, From: Rene Fong. Re: The Latest In Effective Advertising Technology Dear Marketer, Would you be interested in a new way to practically force your prospects to see your most important message, with just a few simple clicks? With popups and sticky note style popups so common place, the few that make it past the blockers radar are usually closed in a knee jerk reaction. This is killing

your profits... what used to be one of the most effective tricks in the marketers arsenal has become all but obsolete.
