Beneath the Arizona desert lies the Subterranean, a city built of gold, populated by two remaining citizens of an ancient civilization. Above Subterranean lives a principled, extended family of the smartest, sweetest, most loveable, sexually active Mexican family, and one half-breed Chippewa. How they get together; what they do with the gold to make a difference in the world; how they make love at every breathless, explicit opportunity; and how they deal with rapists and killers is the exciting story that will keep you reading long past bedtime, and makes you wish you weren't alone. Explicit intelligence, sex and violence. Author: Ballard, E., L.
