Burning Ones is a call to action. Christians will be encouraged and motivated to consider seriously stepping in the role of burning ones and dread champions to spread the Kingdom of God in the earth. Vivid and detailed descriptions of these champions are given throughout the book, supported with biblical examples and modern-day personal experiences, including real-life healings worldwide. Each of the seven chapters concludes with Burning Questions designed to stimulate thought and action, followed by a space for the reader to record Your Response. A Prayer to Get You There connects the reader with the Lord in a genuine way that caps the vital issues covered in the chapter.
