A life of unanswered questions, broken relationships, and poor decisions disrupts a relationship with God and creates crisis. Deanna Favre, a breast cancer survivor and wife of NFL legend Brett Favre, and Shane Stanford, an HIV-positive minister, have both lived such a life. Chronic hopelessness was part of their everyday lives as it is for many people. But Deanna and Shane discovered the transforming grace and strength of a God who provides answers for questions and possibilities for uncertainties. The Cure for the Chronic Life is a guide for the journey out of hopelessness. In its pages, discover the power of redeeming love and the hope of living in Christ.
