Two Pickup Artists reveal their secrets to success Are you tired of reading every pickup book written, only to find yourself finally talking to a woman and realizing that the dots just aren't connecting? Does your mouth still dry up when you see a model and you can only mutter a weak hello? Are you sick of being single and find yourself ready to settle down with the perfect match? Imagine having an instruction manual that not only tells you how to assemble the individual parts of attraction, but also chronicles the adventures of two pickup artists as they fail and succeed. Imagine reading a journal designed to help you accelerate so quickly that you skip half of the missteps that cause other aspiring pickup artists to stumble and give-up. Imagine being comfortable around anyone, building your sense of humor to be above those around you, and using that sense of humor to seduce and win over the models you always considered out of reach. In The Journal, you'll watch two ordinary men build massive confidence levels while also learning each step of the most powerful form of seduction, The Mystery Method. The Journal not only provides you with the best walk-thru from the use of informative and entertaining journal entries, but also takes you deep inside the world of seduction where anything can happen. So if you're interested in

becoming not only a better pickup artist, but also a better person, The Journal is for you. The Journal will... - Help you realize how badly women want to meet you. - Reveal what women find to be most attractive in men, and what they want to avoid altogether. - Teach you how to calibrate your mannerisms, humor, and body language to subconsciously tap into a womans mind. - Show you how to approach a woman anywhere the mall, the neighborhood, even foreign countries. The first third of The Journal will focus exclusively on how to effectively use The Mystery Method to attract women, build comfort, and seduce them. - Spark a conversation with a beautiful woman without the fear of rejection. - Look your best with our informative breakdown of what to wear and to avoid. - Connect with women to make it seem like youve known them forever. - Date enough women to determine the perfect match. The next third of the book is a series of journal entries that demonstrate how to use The Mystery Method in any environment. - Control the Variables Befriend strangers, cock-block guys. - The Dark Side Once youre amazing at pickup, learn how to control sexual rampages. - Just a Start Explore these and many other areas of pickup not commonly examined. Once youre mastered pickup and begun to date multiple women, the last third of the book focuses on your final moves to finding the perfect match. - Narrow down exactly what you want in a girl. - Settle into an exclusive relationship and build the foundation for life as you want it.
