[DOWNLOAD HERE](#)

This lesson features 20 sizzling hot blues licks for the harmonica in cross harp (2nd position). They are melodic, fun, challenging and sound great. Each lick is broken down into one of four groups: general purpose licks, triplet licks, licks over the dominant five chord and licks played over a turnaround. Each lick is played up-tempo, slowed down to play along with and then finally demonstrated along with a very cool rhythm track. This lesson is over 40 minutes long and includes fast and slow play-a-long tracks and 4 pages of tablature. Click preview above for a sample
