

Mp3 Big Deformed Head - Experimentation With Masturbation...gone Wrong!

[DOWNLOAD HERE](#)

Super insane hyper weird noise grind with surreal melodies and psychotic creature vocals. 20 MP3 Songs in this album (78:38) ! Related styles: ELECTRONIC: IDM, METAL/PUNK: Grindcore People who are interested in Aphex Twin Napalm Death Pig Destroyer should consider this download. Details: This one of the weirdest, angriest, and fastest albums ever, yet it still manages to have its mellow moments. The vocals are simply inhuman, the solos and drums shred and grind at the speed of light, and uplifting ambient melodies surface in this complete noise anarchy with a disregard for sanity and convention. Think if the mastermind behind Aphex Twin incorporated the bursting grind of early Napalm Death and catchy tunes of Don Caballero and then put some kind of mutated creature in distress on vocals. You'd get something similar to this album.
