World Music, Acoustic, Jazz 11 MP3 Songs in this album (45:48) ! Related styles: WORLD: World Fusion, JAZZ: World Fusion Details: A new window on World Music, this production is a combination of three outstanding musicians coming together to make this CD. With impressive creativity, Bob uses resourceful and innovative stylings on acoustic, electric guitar and mandolin and performs a wide blend of original music. Entertainment newspaper, Variety, says of his performances, His work on six-string acoustic guitar stands out in jazz instrumentals and seems unhampered by delivering solo stylings usually associated with combos. Jazz guitarist Randy Roos and percussionist Jerry Leake fill out this perceptive project whose sounds reflect the visual images of Bobs compositions and paintings.
