Details: Biography Hailing from England, Ireland and Scotland, currently based in Toronto Canada, Mak, Jack D and Stealth find more similarities than differences in their backgrounds and musical tastes. The bands music features memorable hooks tempered with a rock edge and socially conscious lyrics, "we are coming up with songs that don't adhere to current trends, but still fit into the contemporary scene", says Mak. Back in the days before music went generic there were great bands like Queen, The Sensational Alex Harvey Band and Led Zeppelin to name a few, that played a lot of musical genres from hard rock to reggae, funk and vaudeville and still kept an identifiable sound. Being independent we are enjoying the same freedom. I think that major labels don't credit the record buying public with enough intelligence. Most people listen to different musical styles according to the mood they're in. After playing together for a number of years in WATSON, The ladz decided it was time for a change of name and direction. Since stripping down to a three piece the chemistry is now perfect. The loyalty the band members share is a rare thing, and their charm and humor is something to be experienced first hand. Instrumentation Mak: Guitar, Lead Vocals. Jack D: Percussion, Bass and Lead Vocals. Stelff: Drums, Percussion and Backing Vocals.
