If you're wondering why these guys have all the top rappers in the industry listening and signing there myspace account, check out the album and see why. 18 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: These guys are the next big thing from Memphis. ... I.C., UGTV (Underground Television) I'm surprise they don't already have a major deal" "" Montrel, owner of Sole Studio LiL Larry trap house show Blackside Empire, when Memphis meets rap mainstream its complexity combines to demonstrate why the South continues to be on top. With members Diablo and Rico Sosa (Vice Versa), producer extraordinaire Freeza, and a former artist to Universal's 404 label and Sony's Red distribution Tevalis the truth, this group's explosion is about to Abrupt. With there first album collectively combined, entitled B.S.E presents "Blackside Empire", the "horsemen of four" quoted from group member Tevalis seems to be just that! With this full length album that seems to be catching the city like a California wild fire, proves to be flaming, with the Memphis market now expanding with the Oscar accomplishment from the city's mainstream group. B.S.E has been getting outstanding reviews, not only from club patrons, but how about The Commercial Appeal and Memphis Flyer, the cities top two newsstands. "Them Empire boys" joined together in 2005. Tevalis the truth who had long been solo, collaborated on songs with Diablo of "Vice Versa", a premier group between him and his brother Rico Sosa (who has only been tapping for two years). While traveling to Chattanooga to do a show, Diablo re-introduced Freeza (also a solo artist and producer) and they collaborated on a song, later the four reunited and decided to combine forces to show a stronger unity than individually. "We're supporting our city, the state of hip hop and southern music" B.S.E Check out opening shows all this month, and reviews of the album, in Streetmasters, The Commercial Appeal, and Memphis Flyer.
