PRAISE FOR "SUBTRACTING DOWN" Accessible yet provocative, subtle shifts in voice to evoke subtleties of mood. Completely absorbing, takes me into her world so deeply that it invites the listener to get in touch with his or her own storyteller self. I love this CD. Its a fantastic integration of the naturally-transcending bluegrass music and the beautiful and surprising-when-you-turn-the-corner words/poetry of her soul. I can listen to CD's voice reading from her heart forever. A True Talent. CD's Web site: cdcollins.com.
