Rap mix Details: My name is Andrew David Jackson. My stage name is Demini. I was born in Corpus Christi, Texas on May 26, 1976. I first came in contact with rap as a little boy around the age of 8. I began writing poetry at the age of 10. By age 11, I started writing raps. I have been through the elements of hip-hop. M.C.ing shows, break dancing as a kid, scratching up my mothers gospel records, creating philosophies, and graffiti. What I offer to the industry is a slew of talent along with my abstract creativity. I like writing raps about story telling, battle raps, sex, relationships, money, and the most important one of all my emotions. Some of my favorite artists are all of the Geto Boys, E-40, KRS-One, Rakim, Nas, Biggy, Pac, Pun, Mystikal, OutKast, Public Enemy, NWA, WC, ect I recently started free styling, which is something my friends and I do on occasions. The more I do it the better I become. I just want to create a tight little nitch in the game and live a comfortable life.
