Contemporary classical crossover treatments to some of the world's most memorable melodies with original lyrics. 11 MP3 Songs CLASSICAL: Contemporary, WORLD: World Fusion Details: Dr.Rod, "A Classic Case!" explodes taboos with "off the radar" treatments to the world's greatest classical music, including our compelling HIT music video "Air" (on the G String). Dr. Rod presents a bright cast of rising stars in a powerful set of familiar and timeless melodies for the 21st Century! Our "Enhanced CD" features the music video "Air" (on the G String) Bach-Henley, a compelling duet with Grammy-bound performances by soprano Joy Waters and tenor Victor Robertson, (Tri-Cities Opera of New York). Acoustic (nouveau flamenco) and electric treatments to Rossini's "Salsa Will Tell" and Tchaikovsky's "1812" Overtures, showcase our awesome guitarists Bill Hatcher and Steve Cunningham. The BOMBS! "Peace Love!" ("Pathetique") Beethoven-Henley, our anthem for world peace features John McLane Joy Waters. How timely! "Clair de Lune" Debussy-Henley....cool vocals and the piano jazz artistry of John lancy Korosi. Can you say, "jazz waltz?" "First Love" (Harp Etude) Chopin-Wofford, a haunting lyric and performances by Alfreda Gerald with a welcome "Reprise" by Canada's Jennifer Hanson. "The Ring" This ancient Nordic myth is our slightly irreverent Wagnerian hip-hopera starring David Rowland and Jennifer Hanson. The roof is on fire... HO-YO to YO! "Love Dance", Jennifer Hanson's erotic a capella reggae chant to Ravel-Henley's "Bolero". Acid trombones, guitars, full orchestra chorus! Parlez-vous franais?
