

Mp3 Drummer.it - I.m.c. Vol.4

[DOWNLOAD HERE](#)

A sole fusion of smooth jazz, funk, pop and ambient music in this 4th collection of best worldwide "internet music collaborations". 11 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion Details: Acclaimed international free lancer "internet drummer" Filippo Bertacche experiments collaborations with talented musicians on the web since 2000. Recorded more than 100 tunes in last three years... Now presents the 4th collection of best tunes recorded last year. Absolutely a really sole fusion of smooth jazz / funk/ blues / pop / ambient music with a special vibes between musicians located in different places of the world and here together for a "virtual special session" playing great music. Cd features musicians and song composers as Us guitarist / arranger Carl Eichman (song writer of most tunes), bass player Bill Lawrence (N.Y.), from Nashville (Usa) composer and bass player Don McGinnis, composer and guitarist Bobby Brewer, saxophonist John Garr... and then also Canadian saxophonist Bob Johnson, composer/singer Lord Bygon, Mr. Jeza, New Yorker trumpeter C.M. and other great musicians... I.M.C. (Internet Music Collaborations) vol. 4 is a mix of instrumental progressive fusion that will keep your attention and mind to a new dimension of making and producing music. Flippo Bertacche is member of the FUNKDAWGS (cdbaby.com/funkdawgs2), first official internet jazz fusion band of the world, with also Bill Lawrence, Bobby Brewer, Bob Johnson, Kyle Whitlock and many guest musicians. (band is featured on Jazz Player Magazine, Saxophone Journal and Bassics Magazine) Promo description of the artist: Italian "cyber" drummer providing professional acoustic drums tracks for amateur and professional musicians projects, collaborating with the best musicians on the web, and ready to start an "on line" collaboration. All tunes featured on official site (drummer.it), done in long distance by Internet. Music without frontiers!! Filippo Bertacche is featured in more than 100 tunes on many music web sites and also on more than 35 albums by independent artists. Some of these tunes became hits on sites like mp3and Vitaminic, and also

promoted on some UK and US radios...french and australian Just a sort of most important collaborations:
