Sweet soul music 14 MP3 Songs URBAN/R&B: Soul, JAZZ: Smooth Jazz Details: Duhart/Katz The Brandon Project-this ia a most enjoyable little funk/r&b style CD, from Cribnote Records and JJB Music. This is a well-produced trip down the roads of nostalgial.This will bring back Memories of the soul picnics they used to have back in the day! Snatches, stylewise of "o'jays", "Supremes", even some faint images of the "Temptations". Sweet soul music that is so revolutionary. This is much fun music,will make you feel like things are GREAT! and they really are.
